

Product Certificate
ET-0104-14

Non-loadbearing Forster Fuego Light steelprofile wall EI60

placed on the market by

Saku Metall Uksetehas AS

Saku tn. 13, 11314 Tallinn, Harju maakond, ESTONIA

and produced in the factory

Saku Metall Uksetehas AS

Saku tn. 13, 11314 Tallinn, Harju maakond, ESTONIA

is submitted by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that Inspecta Estonia OÜ has performed type testing, the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the performances described in technical description

SM-PR-11

were applied and that the product fulfils all the prescribed requirements.

This certificate is first issued on **22.01.2014** and remains valid until **21.01.2020** as long as the conditions laid down in the technical description in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly. The validity of the certificate can be checked on the Internet at www.inspecta.com/et. Classification and field of direct application is presented in the Annex 1.
